Affiliation to C.B.S.E. New Delhi, (10+2)

BUKRU, KANKE, RANCHI-834006

PROSPECTUS

SGS Timeline (How Fast We Have Grown)

NOC	SGS was established in April 2015 and we have received a No-Objection Certificate (NOC) from the State Government for CBSE Affiliation purpose within a year i.e. on 18th February, 2016.
Affiliation for CBSE	SGS got its first affiliation for Secondary School by CBSE on 25th May 2017 and we succeeded to make it a landmark in quality education, and got the second affiliation for Std XII Senior Secondary School by CBSE on 29th August 2019.
Championship Event	**School Events:** The school aims at the holistic development of the child. Many events were organised at school including Grandparents day, Annual function, Sports Day, Kargil Diwas, Janmashtami, STEAM, Exhibitions, Carnival,MUN, etc. **Dance:** Ranchi Sahodaya School Complex, Inter-School Folk Dance Competition held on 2 August 2025. **Ted-Style Talk Competition:** Ranchi Sahodaya School Complex Inter School Ted-Style Talk Competition held on 24th October 2026 **IIMUN: IIMUN held on 24, 25 & 26 April, 2025. Chief Guests : Mr. Babulal Marandi and Mr. Sanjay Seth.** **Championship Events:** With an aim to promote healthy and fierce competition and also encouraging maximum students' participation in school, SGS organised the CBSE East Zone Taekwondo Championship from 1to 3 Oct 2019 & Chess Championship from 12 to 15 Oct 2019.
Achievements	**2015 :** 1 Gold Medal at State Level Championship. **Game** : Taekwondo **2016 :** 5 Gold Medals, 3 Silver Medals, 2 Bronze Medals at 1 State Level and 2 District Level Championship. **Game :** Taekwondo, Rope Skipping **2017 :** 7 Gold Medals, 2 Silver Medals, 2 Bronze Medals, at 1 National Level, 1 State Level and 1 District Level Championship. **Game** : Taekwondo **2018 :** 2 Gold Medals, 4 Silver Medals, 4 Bronze Medals at 8 National Level and 4 State Level Championship. **Game** : Taekwondo, Badminton, Wrestling, Shooting **2019 :** 7 Gold Medals, 6 Silver Medals, 14 Bronze Medals at 1 International Level, 6 National Level, 10 State Level and 1 District Level Championship **Game :** Taekwondo, Badminton, Wrestling, Shooting **2022 :** 1 Gold, 5 Bronze (National and State level Championship) **Game :** Taekwondo **2023 :** 7 Gold, 3 Silver, 3 Bronze (District Level Championship) 7 Gold, 6 Silver, 2 Bronze (State Level Championship) 7 Gold, 4 Silver, 4 Bronze (National Level Championship) 1 Gold (Asian Level Championship) **Game :** Taekwondo, Badminton, Wrestling, Shooting, Basketball, Football, Kabaddi, Chess, Volleyball, Skating, Pickleball **2024 :** 17 Gold, 7 Silver, 6 Bronze (District Level Championship) 1 Bronze (State Level Championship) 3 Gold, 4 Silver, 2 Bronze (National Level Championship) **Game :** Taekwondo, Badminton, Basketball, Football, Kabaddi, Chess, Cricket, Yoga **2025 :** 21 Gold, 11 Silver, 5 Bronze (District Level Championship) 4 Gold, 6 Silver, 4 Bronze (State Level Championship) 2 Gold, 1 Silver, 3 Bronze (National Level Championship) **Game :** Taekwondo, Badminton, Basketball, Football, Kabaddi, Chess, Cricket, Yoga, Pickleball **2026 :** Till date 14 Gold, 11 Silver, 5 Bronze (District Level Championship) 5 Gold, 5 Silver, 4 Bronze (State Level Championship) 1 Gold (National Level Championship) 2 Bronze (International Level Championship) **Game :** Taekwondo, Badminton, Basketball, Football, Kabaddi, Chess, Cricket, Yoga, Pickle Ball, Skating, Swimming Our students have excelled in various **Olympiads, Quizzes & Spell Bee competition**. They have represented our School at State and National levels

ABOUT US

Rooted in Values, Inspired by Innovation, Empowering Every Child for the Future.

Sharda Global School, Bukru, Kanke, Ranchi, is a vibrant learning community committed to nurturing confident, compassionate and future-ready learners. Set amidst a serene 10-acre campus, the school provides a safe, stimulating and caring environment where every child is encouraged to discover their unique talents, develop their strengths and realise their true potential.

The SHARDA Group, headed by **Chairman Shri Sanjay Kumar Sharda** and **Managing Director CA Deepak Banka**, rooted in a rich legacy of traditional Indian values, stands for integrity, excellence and holistic development. With deep respect for our cultural heritage, we believe in nurturing generations with strong values and modern knowledge. Our legacy inspires us to build a future where tradition and innovation go hand in hand. Under the guidance of Sharda group management, the group's vision is translated into strategic direction, institutional development and a continued pursuit of excellence.

Director Academics, Dr. (Mrs.) Ranjana Swarup, provides academic guidance focused on strengthening teaching-learning practices, nurturing intellectual curiosity and maintaining high educational standards. At the school level, **Principal, Mrs. Jasmeet Kaur** translates this shared vision into purposeful leadership, effective academic practices, disciplined administration and a nurturing school culture. Through the collective efforts of the leadership team and dedicated faculty, the school endeavours to ensure that every learner receives opportunities to discover individual strengths, develop essential life skills and grow into a responsible global citizen.

Aligned with the vision of NEP 2020, our learner-centred approach moves beyond rote learning towards experiential learning, critical thinking, creativity, collaboration, communication and problem-solving. Students are encouraged to question, explore, apply knowledge and create meaningful solutions.

As technology and Artificial Intelligence reshape the world, we are committed to developing AI-aware, digitally responsible and future-ready learners. Through technology-enabled classrooms, computational thinking, project-based learning and innovation, students learn to understand, explore and use AI responsibly and ethically.

Our well-equipped laboratories, library, technology facilities, sports infrastructure and diverse co-curricular programmes provide opportunities for holistic growth beyond the classroom.

We believe education is not merely about preparing children for examinations—it is about preparing them for life, leadership and an ever-changing future.

Dr. (Mrs) Ranjana Swarup
Director (Academics)

(Mrs) Jasmeet Kaur
(Principal)

Our Vision

To provide value-based education enriched with new ideas and innovation, enabling our pupils to become individuals whom others choose to follow. We aspire to nurture students who grow as thinkers, lifelong learners and agents of positive change and collaboration.

Our Mission

The school's mission is to provide learners with meaningful opportunities to fulfill our vision. We aim to help every child discover their inner strength and provide a conducive environment in which they can grow and evolve into responsible global citizens who live by strong values and act ethically.

Infrastructure

To fulfill its objective of providing holistic education, the school offers contemporary academic, non-academic and sports infrastructure, supported by modern facilities and a learner-friendly environment.

The School Building Hosts:

- Spacious classrooms equipped with smart boards.
- Well-equipped laboratories for Computer Science, Physics, Chemistry, Biology, Languages and Mathematics.
- Robotics Lab providing students with hands-on experience in coding, technology and engineering.
- AI & Innovation Lab for hands-on learning in Artificial Intelligence, coding, robotics, computational thinking and emerging technologies.
- Well-stocked library for Pre-Nursery to Class XII, equipped with computers and filtered internet access to support research and reference work.
- Dedicated Music, Dance, Theatre and Art Studios.
- Soft boards in classrooms that facilitate the display of students' work, encouraging creativity and enthusiasm for learning.
- Extensive sports infrastructure, including Basketball Court, Football Court, Badminton Court, Volleyball Court, Swimming Pool, Skating Arena and Pickleball Court, along with indoor games such as Chess, Table Tennis and Carrom.
- Counselor's Room to support students' emotional and personal well-being.
- Creative Activity Room for hands-on and artistic learning.
- Mini Playground and Fun Zone, specially designed for students from Pre-Nursery to Class II.
- Soft Toy Play Area – Giggles for our youngest learners.
- NCC Room for developing discipline, leadership and a sense of responsibility.

OUR CORE VALUES

The Core Values define the Philosophy of **Sharda Global School.** They are incorporated in our everyday learning.

All-Round Excellence

We aim to provide an environment where the students have ample opportunities and wherewithal to discover and develop themselves and find their potential and talents.

Global Vision

The school aims to provide a global perspective to all the students, making them aware of the uniqueness of other nations, ethnicities and cultures. This will help a child to work in the current dynamic world and adjust in this global village.

Self Belief and Integrity

Young leaders need to feel confident about their abilities and potential. They must be trained to have faith in themselves and their acquired abilities. Integrity as a value encompasses honesty and honor.

Service with Compassion

We must be useful to society and to humanity at large. In doing service to others, we should be compassionate and generous, realising and recognising the unity of mankind.

8 Unique Pillars of Sharda Global School

Every child is unique with his/her inherent intelligence and talent. At SGS we create an environment that caters to all the aspects of growth and development for each child through these 8 unique pillars of schooling.

Curriculum Structure of the School

Presently schools are running classes as per new pedagogical structure and curricular of school education which is as follows:-

A. Foundational Stage (5 years, ages 3–8): 3 years of preschool (Balvatika / Pre-Nursery / Nursery / KG) + Classes 1 and 2
B. Preparatory Stage (3 years, ages 8–11): Classes 3 to 5
C. Middle Stage (3 years, ages 11–14): Classes 6 to 8
D. Secondary Stage (4 years, ages 14–18): Classes 9 to 12

A. Foundational Stage

The foundational stage consists of five classes Pre-Nursery to Std II where 3+ is age criteria for nursery and so on and so forth. This division of TINY TOTS is placed under the responsibility and able guidance of competent and specially trained teachers to ensure effective functioning. The children are nurtured like the delicate flowers. The method of teaching includes Play-way, Kindergarten, Montessori, Gandhiji's Moral Teachings and Activity Based Learning. The children are encouraged to develop an all-round personality through singing, dancing, painting, reading, writing and exploring the environment. A spacious playground, toys library, soft-toy play area and the audio visual teaching aids are set up to keep the children in good humour and to attract their attention to make them more curious and attentive. Our teaching environment is based on love, affection and motherly touch. The focus is on the reinforcement and endorsement of a child capability through manifold activities and learning exercises.

B. Preparatory Stage

Preparatory stage classes include III to V. Apart from the Major subjects like English, Hindi, Maths, General Science and Social Science, emphasis is given on Computer Science, Health & Physical Education, Art & Craft, Music & Dance, G.K and Value Education also. We start with Sanskrit from class V. Needless to say the school wants to cultivate discipline, manners & etiquettes in students. Efforts are made to enrich the vocabulary and equip them with communicative competence. The building that house, Preparatory Stage classes has its own Library, Computer lab, English lab, Maths lab and an audio-visual center, all having the latest modern equipment and devices.

Just Giggles

Smart Board

C. Middle Stage

Middle stage comprises classes VI to VIII. The Compulsory subjects are English, Hindi, Maths, General Science, Social Science, Sanskrit, Computer/ Information Technology, and graded subjects are Health & Physical Education, Art & craft, Music, Yoga, G.K & Value Education. In the new era of globalized modern education, competition is tough for every exam. Hence, the need arise for an early beginning and clear insight about one's future plans. Thus our devoted Teachers make the students more responsible and career conscious at an early stage of life, the strong concept building starts from class VI onwards.

Robotics: These labs provide an interactive STEM environment where middle and secondary students apply theoretical concepts through hands-on electronics, sensors and coding. They nurture critical thinking, algorithmic logic and collaborative problem-solving by enabling learners to design, build and automate functional robotic projects.

Kaushal Bodh: It is an experiential skill education subject and activity framework introduced for middle school students (Grades 6–8) under NEP 2020 and NCF-SE. It provides foundational hands-on exposure to diverse forms of work—such as life forms, machines and community services—to build practical life skills and respect for all labour.

D. Secondary Stage

Secondary Stage covers classes IX to XII. This section strives hard to satisfy inquisitiveness of the students and prepare the students to meet the challenges of life and march ahead with confidence. Furthermore, it equips them with a passion for excellence and determination to meet the future challenges. Students can pursue their class XI studies as per the three streams offered by school i.e. Science, Commerce and Humanities.

Robotics: These labs provide an interactive STEM environment where middle and secondary students apply theoretical concepts through hands-on electronics, sensors and coding. They nurture critical thinking, algorithmic logic and collaborative problem-solving by enabling learners to design, build and automate functional robotic projects.

Kaushal Vikas: It serves as the dedicated skill and vocational education curriculum designed for secondary stage learners (Grades 9–10). It transitions students from basic exploration to in-depth, competency-based vocational training that prepares them with real-world, industry-relevant capabilities.

Skill Composite Lab (SCL)

Chemistry Lab

SCHOLARSHIP CRITERIA

- Benefit: 75% tuition fee waiver + 100% annual charges waiver for one academic session. Applicable to Grades III–X, with one boy and one girl selected from each class.
- Eligibility: Students must secure 90%+ at Balvatika II/Preparatory Level or 85%+ at Secondary Level for two consecutive sessions, maintain 75% attendance, have no disciplinary record and meet the prescribed income criteria.
- Additional Advantage: Outstanding achievement in National/International Olympiads, National Level Spell Bee, CBSE/SGFI sports, and 100% attendance will be considered. Special scholarships are available for NTSE Final Round and KVPY qualifiers.

Special Talent Encouragement Programme (STEP)

At SGS, we believe that every child has a unique talent waiting to be discovered, nurtured and celebrated. STEP provides a structured platform to identify and develop individual strengths through expert guidance, meaningful exposure and diverse opportunities.

- Talent identification through activities, auditions and participation.
- Expert-led training and mentorship in Music, Dance, Art & Craft, Theatre and other creative pursuits.
- Academic competitions, Olympiads, quizzes and subject-based challenges to nurture intellectual potential.
- Regular workshops and skill-building opportunities to refine individual abilities.
- Platforms to perform and showcase talent at Intra-School and Inter-School Events.
- Exposure to competitions and real-world opportunities that build confidence, creativity and stage presence.
- Encouragement of innovation, self-expression and excellence, while respecting every learner's individuality.

Felicitation

A Beacon of Guidance and Goodwill
Mr. Raju Budhia

Public Speaking

HOLISTIC DEVELOPMENT

Hands-On Learning Experiences

At SGS, learning extends beyond textbooks and classrooms. Experiential, inquiry-based and project-driven learning, inspired by the vision of NEP 2020, enables students to connect knowledge with real-world experiences.

- STEM, AI, Robotics & technology-integrated learning
- Interdisciplinary and art-integrated projects
- Critical thinking, creativity & problem-solving
- Collaborative learning and leadership opportunities
- Educational visits and real-world exploration
- Innovation through experimentation and discovery

Grooming For A Well-Rounded Personality

We focus on the holistic development of every child, nurturing confidence, creativity, physical fitness, communication skills and emotional well-being.

- Yoga, Meditation, Martial Arts & Sports
- Health & Nutrition Programme
- Public Speaking & Communication Skills
- Human Library
- Mental Wellness & Career Counselling
- In-house publication – ORION (Student Magazine)

RECREATION

Extra-Curricular Activities

Sharda Global School nurtures the creative potential in each student through diverse training programmes.

To realize the all-round development of students, academics in SGS is amalgamated with co-curricular activities. Extracurricular activities give emphasis upon aesthetic activities as well as spiritual development. Art and Craft, Music-Instrumental, Vocal, Indian Classical Dance, Debate, Elocution, Extempore, Public Speaking, Personality development, Soft skills, MUN and Sports are some of the co-curricular activities offered.

Students of Std. III - X are also offered the choice of participating in various clubs. Among the clubs offered at present are:

- Speakathon Club - Std VI - X (Public Speaking Club).
- Language Quest and Wordmaster Club - Std III - X (English Club).
- Tech Quest Club - Std VI to X (Cyber Club).
- Junior Ramanujan and Junior Einstein Club - Std III - X (Maths and Science Club).

Swimming Pool

Skating

STEAM

- Junior Dhoni Club - Std III - X (Sports Club)
- Kalakriti Club - Std III - X (Art and Craft Club)
- Junior Sarabai Club - Std III - X (Dance and Music Club)
- Heritage Club - Std VI-X

Saturday Integrated Learning Programme

Children are more motivated when they have some degree of self-determination and can elect to pursue tasks that are personally meaningful. Keeping this in view, the school has planned to organise various activities.

The following activities will be conducted on every Saturday focusing on skill enhancement and personality development of the students to promote holistic growth.

1. Physical Education

2. Performing Art: • Art & Craft • Music • Dance

3. Literary Department (Debate, Extempore, Elocution, Skit, MUN, etc.)

4. Numerical Enrichment sessions and Science in Action Programmes.

NCC

The NCC is open to all students from Classes VII–IX to develop character, leadership, discipline, commandership, a secular outlook and the spirit of adventure. SGS provides a suitable environment to motivate and train the youth of the country. NCC training is conducted twice a week.

Mental Wellness and Career Guidance

Schools are the microcosms of society that provide students with the space and opportunities to develop into well-rounded and successful individuals. Our Mental Wellness and Career Guidance Programmes aim to ensure that students receive appropriate guidance to overcome challenges in life and make informed and effective decisions about their future.

Experiential Learning

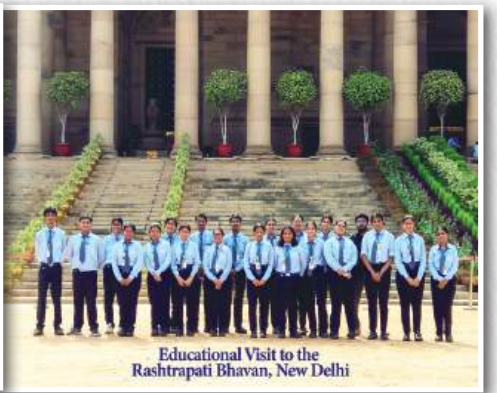

Experiential learning is an integral part of holistic education. Ample opportunities are provided to students of all classes through field trips, treks, camps and excursions to various places within India.

Students of Classes I–XII are also taken on educational trips and excursions to places outside the District/State, providing them with wider exposure and enriching their learning experiences.

Students' participation and performance in such activities are recognised and reflected in their Achievement Records, in alignment with the principles of NEP 2020.

PERSONAL ATTENTION

Individual Care and Support

Every member of the SGS family contributes in their own unique way, be it through teaching or non-teaching responsibilities. Students can approach the School Counsellor whenever they need support. The school also conducts workshops on important areas such as Good Touch–Bad Touch, mobile addiction, drug abuse, cyber safety and other age-appropriate concerns.

Counselling

Our comprehensive Counselling Programme provides students with a safe and supportive environment where they can seek guidance for their emotional, psychological and personal well-being.

Parent App

The Parent App keeps parents updated in real time about their child's academic progress, attendance, assessments, bus tracking through GPS and other important information.

Library

Students have easy and free access to thousands of books in a safe, welcoming and comfortable environment that encourages reading, research and independent learning.

Best-In-Class Infrastructure

Our campus is equipped with modern infrastructure to support academic and co-curricular activities. Aesthetically designed and ergonomically planned classrooms, along with innovative teaching methodologies, make learning engaging, effective and meaningful.

Equipped with modern facilities such as smart boards and well-equipped science laboratories, the school provides opportunities for students to explore new ideas and learn through hands-on experiences. Our campus offers diverse facilities that extend learning beyond the classroom.

MODE OF COMMUNICATION

Our open-door approach ensures effective and transparent communication with parents. Through the Parent Portal, Parent App and regular interactions, we keep parents informed about their child's progress and well-being while providing multiple channels for smooth communication and support.

Parent Portal (ERP)

The Parent Portal (ERP) enables parents to stay informed about announcements, daily classwork, homework, fee payments, certificates and other important school-related information.

PTMs

Parent-Teacher Meetings (PTMs) are organised regularly to keep parents informed about their child's progress and provide a 360-degree holistic review of the child's academic, behavioural and overall development.

Weekly Communications

For any enquiry or concern, contact details of the respective Section In-charge are provided to parents so that they can discuss their child's progress and receive appropriate guidance.

Safety And Security Committee

The Safety and Security Committee meets every month, with the Principal and Management reviewing and monitoring the school's safety and security measures.

Circulars

Timely circulars regarding school updates, upcoming events, competitions and important notices are shared with parents.

SMS Updates

SMS updates are used to communicate important announcements, event information and urgent notices that require parents' attention.

Email

For leave applications and other queries, parents may write to:

shardaglobalschool@gmail.com

Parents are requested to use this email address for prompt and effective communication with the school.

SAFE CAMPUS

We ensure a safe and secure environment for our students through various comprehensive security measures. Our safety measures upgrade timely with advanced technology.

SAFETY

Psychometric tests of all Teachers

Parent ID Card

Classroom Doors without Locks

SECURITY

360⁰ Surveillance through CCTV Cameras

Security Controlled Entry & Exit

Trained Security Guards

Buses Equipped with GPS

Daily Breath Analyser Test

School Staff On every Bus

ADMISSION

A Registration Form is included in the prospectus. Submission of the Registration Form does not guarantee admission. Applicants are required to appear for an interview or admission test, as applicable. The Registration Fee is non-refundable.

Admission Rules

- Admission is granted on the basis of the school's admission criteria, irrespective of caste, creed, religion or community.
- Every candidate must be duly registered before admission.
- At the time of admission, the student must produce a Leaving Certificate/Transfer Certificate (TC) from the recognised school last attended.
- Students transferring from outside the state of Jharkhand must submit a Leaving Certificate duly countersigned by the competent Education Authority, wherever applicable.
- All documents and information submitted at the time of admission must be complete and authentic.
- Admission is subject to the availability of seats and fulfillment of the prescribed admission requirements.

Fees

The schedule of fees is enclosed with the Registration Form. Fees are payable in quarterly installments during the academic year. School dues must be paid within the stipulated time. **Fees may also be deposited through the bank.**

Withdrawal/Refund of Fees

- If a student is withdrawn or does not join the school before the commencement of the academic year, the Registration and Admission Fees shall be forfeited, and the applicable tuition fee shall be refunded as per the school's applicable policy.
- If a student joins the school and is subsequently withdrawn after the commencement of the academic year, applicable fees and other expenses shall be charged as per the school's fee policy.

General Rules for Withdrawal

Parents/Guardians are required to give three months' written notice for the withdrawal of a child.

A Transfer Certificate (TC) will be issued only after all outstanding dues have been cleared and the necessary formalities have been completed. **The TC will be issued within one week thereafter.**

RULES AND REGULATIONS

- All students are expected to communicate in English.
- No leave will be granted during term except on urgent or humanitarian grounds.
- Periodic reports on the student's progress will be sent to parents.
- In all matters pertaining to the studies, behaviour and welfare of students, the Principal's decision shall be final and binding.
- Parents/Guardians are required to abide by all school rules and procedures.
- In case of damage to school property or loss of library books, the cost of repair/replacement shall be recovered from the parents of the student concerned.
- Birthdays are not celebrated in school by distributing sweets or gifts.
- A student who is unwell should not be sent to school. Students suffering from contagious or infectious diseases will not be permitted to attend school.
- Complaints or suggestions regarding school matters should be submitted to the Principal through the appropriate channel.

- Parents/Guardians may meet teachers only with the prior permission of the Principal and during the designated meeting timings mentioned in the Almanac.
- Attendance is compulsory on Independence Day, Republic Day and the first and last working days of each academic session.

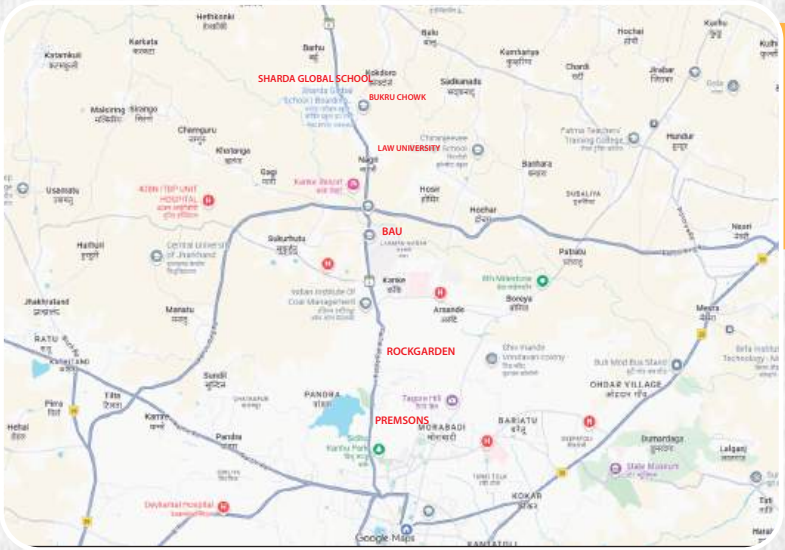

Discipline

- Students are expected to maintain high standards of discipline, courtesy, responsibility and respectful behaviour at all times.
- The school follows a zero-tolerance policy towards bullying, harassment, violence, abusive language, intimidation, vandalism and serious acts of indiscipline.
- Students must respect their peers, teachers, support staff and school property.
- Fighting, teasing, threatening or deliberately causing harm or humiliation to others is strictly prohibited.
- Students must not possess or bring any prohibited item to school.
- Any serious or repeated violation of school discipline may result in appropriate disciplinary action, including withdrawal of privileges or suspension by the authority.
